Under Section 125.6 of the B&P Code, California real estate licensees are subject to disciplinary action by the Real Estate Commissioner if they discriminate or make any distinction or restriction in negotiating the sale or lease of real property because of the race, color, sex, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, or physical handicap of the client. If any prospective buyer or lessee believes that a licensee is guilty of such conduct, (s)he should contact the Department of Real Estate.

COMMON INTEREST DEVELOPMENT GENERAL INFORMATION

Common Interest Development

The project described in the attached Subdivision Public Report is known as a common-interest development. Read the Public Report carefully for more information about the type of development. The development includes common areas and facilities which will be owned and/or operated by an owners' association. Purchase of a lot or unit automatically entitles and obligates you as a member of the association and, in most cases, includes a beneficial interest in the areas and facilities. Since membership in the association is mandatory, you should be aware of the following information before you purchase:

Governing Instruments

Your ownership in this development and your rights and remedies as a member of its association will be controlled by governing instruments which generally include a Declaration of Restrictions (also known as CC&R's), Articles of Incorporation (or association) and bylaws. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Study these documents carefully before entering into a contract to purchase a subdivision interest.

Assessments

In order to provide funds for operation and maintenance of the common facilities, the association will levy assessments against your lot or unit. If you are delinquent in the payment of assessments, the association may enforce payment through court proceedings or your lot or unit may be liened and sold through the exercise of a power of sale. The anticipated income and expenses of the association, including the amount that you may expect to pay through assessments, are outlined in the proposed budget. Ask to see a copy of the budget if the subdivider has not already made it available for your examination.

Common Facilities

A homeowner association provides a vehicle for the ownership and use of recreational and other common facilities which were designed to attract you to buy in this development. The association also provides a means to accomplish architectural control and to provide a base for homeowner interaction on a variety of issues. The purchaser of an interest in a common-interest development should contemplate active participation in the affairs of the association. He or she should be willing to serve on

the board of directors or on committees created by the board. In short, "they" in a common interest development is "you". Unless you serve as a member of the governing board or on a committee appointed by the board, your control of the operation of the common areas and facilities is limited to your vote as a member of the association. There are actions that can be taken by the governing body without a vote of the members of the association which can have a significant impact upon the quality of life for association members.

Subdivider Control

Until there is a sufficient number of purchasers of lots or units in a common interest development to elect a majority of the governing body, it is likely that the subdivider will effectively control the affairs of the association. It is frequently necessary and equitable that the subdivider do so during the early stages of development. It is vitally important to the owners of individual subdivision interests that the transition from subdivider to resident-owner control be accomplished in an orderly manner and in a spirit of cooperation.

Cooperative Living

When contemplating the purchase of a dwelling in a common interest development, you should consider factors beyond the attractiveness of the dwelling units themselves. Study the governing instruments and give careful thought to whether you will be able to exist happily in an atmosphere of cooperative living where the interests of the group must be taken into account as well as the interests of the individual. Remember that managing a common interest development is very much like governing a small community ... the management can serve you well, but you will have to work for its success. [B & P Code Section 11018.1(c)]

FOR INFORMATION AS TO YOUR OBLIGATIONS AND RIGHTS, YOU SHOULD READ THE RESTRICTIONS. THE SUBDIVIDER MUST MAKE THEM AVAILABLE TO YOU.

TO SECURE FINANCING FOR THIS SUBDIVISION ACCEPTABLE FOR ACQUISITION BY FNMA, FHA, VA AND OR FHLMC IT HAS BEEN NECESSARY FOR THE SUBDIVIDER TO INCORPORATE INTO THE DECLARATION AND OTHER MANAGEMENT INSTRUMENTS, PROVISIONS WHICH GIVE THE MORTGAGE LENDER A VOICE IN THE AFFAIRS OF THE HOMEOWNER'S ASSOCIATION AND IN THE MANAGEMENT AND OPERATION OF THE SUBDIVISION WHICH A LENDER DOES NOT ORDINARILY HAVE.

THE SUBDIVIDER SHALL MAKE A COPY OF THE GOVERNING DOCUMENTS AVAILABLE FOR EXAMINATION BY A PROSPECTIVE BUYER BEFORE EXECUTION OF AN OFFER TO PURCHASE A RESIDENCE. A COPY OF EACH MUST ALSO BE GIVEN TO EACH BUYER AS SOON AS PRACTICABLE BEFORE CLOSE OF ESCROW. THESE DOCUMENTS CONTAIN NUMEROUS MATERIAL PROVISIONS THAT SUBSTANTIALLY AFFECT AND CONTROL YOUR RIGHTS, PRIVILEGES, USE, OBLIGATIONS, AND COSTS OF MAINTENANCE AND OPERATION. YOU SHOULD READ AND UNDERSTAND THESE DOCUMENTS BEFORE YOU OBLIGATE YOURSELF TO PURCHASE A RESIDENCE (CALIFORNIA BUSINESS & PROFESSIONS CODE SECTION 11018.6).

MAINTENANCE AND OPERATIONAL EXPENSES

Association to Levy Assessments: THE ASSOCIATION HAS THE RIGHT TO LEVY ASSESSMENTS AGAINST YOU FOR MAINTENANCE OF THE COMMON AREAS, AMENITIES AND FACILITIES, AND OTHER PURPOSES. YOUR CONTROL OF OPERATIONS AND EXPENSES IS LIMITED TO THE RIGHT OF YOUR ELECTED REPRESENTATIVES TO VOTE ON CERTAIN PROVISIONS AT ASSOCIATION MEETINGS.

Proposed Budgets: The Subdivider has submitted budgets for the maintenance and operation of the Association obligations and for long-term reserves when the community is substantially completed (built-out budget) and an interim budget applicable to this phase. These budgets were reviewed by the Department of Real Estate in March 2020. You should obtain copies of these budgets from the Subdivider.

Under the built-out budget, the monthly assessment against each Residence will be approximately \$117.00. The Association may or may not elect to use this budget when additional phases are annexed. Under the interim budget, the monthly assessment per Residence will be approximately \$96.00. Of these amounts, the monthly contributions toward long-term reserves are not to be used to pay for current management, maintenance and operating expenses are approximately \$22.00 and \$11.00, respectively.

Proposed Cost Center Budget (for Condominium Units): A Cost Center Budget (as defined in the CC&Rs) has been established to cover those portions of the expenses only for the Cost Center Areas of the project. Subject to change, the Cost Center Areas will include maintenance and insurance for the Condominium Buildings, garbage services and related expenses for the benefit of the Condominium Buildings and Owners of Condominium Units. The Cost Center Budget is in addition to the Proposed Budget figures described above. Under the built-out Cost Center Budget, the monthly assessment against each condominium unit ranges from approximately \$184.00 to \$233.00. The Association may or may not elect to use this budget when additional phases are annexed. Under the interim budget, the monthly assessment per condominium unit ranges from approximately \$189.00 to \$240.00. Of these amounts, the monthly contributions toward long-term reserves are not to be used to pay for current management, maintenance and operating expenses are approximately \$91.00 and \$92.00, respectively.

YOU SHOULD BE AWARE THAT IF, AND WHEN ADDITIONAL PHASE(S) ARE ANNEXED INTO THE SUBDIVISION, THE MONTHLY ASSESSMENTS AGAINST YOUR RESIDENCE MAY INCREASE OR DECREASE DEPENDING UPON, AMONG OTHER THINGS, THE NUMBER OF RESIDENCES BEING ANNEXED IN SUCH SUBSEQUENT PHASE(S) AND WHETHER ANY ADDITIONAL COMMON AREA AND/OR COMMON FACILITIES ARE ALSO BEING ANNEXED AS PART OF ANY SUCH PHASE(S).

According to the Subdivider, assessments under the interim budget should be sufficient for proper management, maintenance and operation of Association obligations until the

subdivision is completed at which time it may be anticipated that assessments will be adjusted.

IF THE BUDGET FURNISHED TO YOU BY THE SUBDIVIDER SHOWS A MONTHLY ASSESSMENT FIGURE WHICH IS AT LEAST 20% MORE OR AT LEAST 10% LESS THAN THE ASSESSMENT AMOUNT SHOWN IN THIS PUBLIC REPORT, YOU SHOULD CONTACT THE DEPARTMENT OF REAL ESTATE BEFORE ENTERING INTO AN CONTRACT TO PURCHASE A RESIDENCE.

NOTE: THE BUDGET INFORMATION INCLUDED IN THIS PUBLIC REPORT IS APPLICABLE AS OF THE DATE OF BUDGET REVIEW AS SHOWN ABOVE. EXPENSES OF OPERATION ARE DIFFICULT TO PREDICT AND EVEN IF ACCURATELY ESTIMATED INITIALLY, MOST EXPENSES INCREASE WITH THE AGE OF FACILITIES AND WITH INCREASES IN THE COST OF LIVING.

BUDGET INFORMATION PROVIDED BY SUBDIVIDER: DELINQUENCIES IN THE PAYMENT OF ASSOCIATION ASSESSMENTS AFFECT THE ABILITY OF THE ASSOCIATION TO PERFORM ANY OR ALL OF ITS RESPONSIBILITIES AND COULD ALSO RESULT IN UNFORESEEN SPECIAL ASSESSMENTS LEVIED AGAINST ALL RESIDENCES OR A SIGNIFICANT REDUCTION IN BUDGETED ASSOCIATION SERVICES. THE SUBDIVIDER MUST IMMEDIATELY NOTIFY THE DEPARTMENT OF REAL ESTATE IN WRITING, IF DELINQUENT ASSESSMENTS HAVE CAUSED THE ASSOCIATION TO RECEIVE TEN PERCENT (10%) LESS INCOME THAN REFLECTED IN THE THEN CURRENT ASSOCIATION BUDGET (REGULATION 2800K).

THE SUBDIVIDER MUST MAKE AVAILABLE TO YOU A STATEMENT CONCERNING ANY DELINQUENT ASSESSMENTS AND RELATED CHARGES AS PROVIDED BY THE GOVERNING DOCUMENTS AND, IF AVAILABLE, CURRENT FINANCIAL INFORMATION AND RELATED STATEMENTS (CALIFORNIA BUSINESS & PROFESSIONS CODE SECTION 11018.6).

In addition to other documentation provided to each prospective Buyer, a copy of the current financial information, and related statements, to the extent available, as specified by California Civil Code Section 5300(b), must be made available for examination by a prospective Buyer before the execution of an offer to purchase a Residence. A copy of this financial information must also be given to each Buyer as soon as practicable before close of escrow. YOU SHOULD PAY SPECIAL ATTENTION TO THIS FINANCIAL INFORMATION, AS IT PERTAINS TO CURRENT AND POSSIBLE FUTURE FINANCIAL OBLIGATIONS AFFECTING ALL HOMEOWNERS WITHIN THE SUBDIVISION ASSOCIATION. If you do not understand the contents of these financial documents, you may wish to consult with your own professional advisors. Should the amounts collected by the Association prove insufficient to properly maintain, operate, repair or replace the common facilities, the Association may increase Regular Assessments or levy one or more Special Assessments in accordance with the Governing Documents in order to provide such funding, which may affect your ability to purchase, or, as an alternative, the Association may decide to defer maintenance or eliminate services.

Exemptions from Association Regular Assessments: The CC&Rs provide that the Subdivider or other owner of a subdivision interest will be allowed to defer from payment,

that portion of any assessment which is directly attributable to any structural improvement and/or common facility that is not complete at the time assessments commence. The amount of the deferment may be a fixed amount, or may vary based upon dates of completion or use. Once the established criterion is met and the authority allowing the deferment is eliminated, all owners must pay the full amount of the monthly assessment as outlined herein. The limitations of this allowance are specifically set forth in the CC&Rs. (Regulation 2792.16c).

Utility Rates: The utility rates used for the calculations within the above referenced budgets are based on information available at the time of the budget review dates (as shown above). Increases in assessments may be required as a measure to provide adequate funds to compensate for potential utility rate increases. Purchasers should be aware of the possible affect these increases may have on their assessments.

Assessments Increases/Decreases: The Association may increase or decrease assessments at any time in accordance with the procedure prescribed in the CC&Rs or Bylaws. In considering the advisability of a decrease (or a smaller increase) in assessments, care should be taken not to eliminate amounts attributable to reserves for replacement or major maintenance.

Commencement of Assessments: Regular assessments (and Cost Center Assessments for Condominium Units) payable to the Association will commence on all Residences in this phase on the first day of the month following the conveyance of the first Residences in the phase. The Subdivider must pay assessments to the Association for all unsold Residences. (Regulations 2792.9 and 2792.16).

Failure to Pay: The remedies available to the Association against owners who are delinquent in the payment of assessments are set forth in the CC&Rs. These remedies are available against the Subdivider as well as against other owners.

Subdivider's Assessment Security: The Subdivider has posted a bond as partial security for the obligation to pay these assessments. The governing body of the Association should assure itself that the Subdivider has satisfied these obligations to the Association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

USES/ZONING/HAZARD DISCLOSURES

The Subdivider has set forth below references to various uses, zoning, hazards and other matters based on information from a variety of sources. You should independently verify the information regarding these matters, as well as all other matters, that may be of concern to you regarding the subdivision and all existing, proposed or possible future uses adjacent to or in the vicinity of the subdivision. At the time this public report was issued, some of the land uses that surround the subdivision include, but are not limited to, the following:

Zoning: The Subdivider advises that the following zoning exists within or near this subdivision:

North: Commercial, light industrial uses, Highway 101

South: Commercial, light industrial uses, proposed future townhomes

East: Single-family residential

West: Commercial

Uses: The Subdivider advises that the following uses exist within or near this subdivision:

- Commercial and light industrial uses immediately north and south
- Commercial uses immediately west
- North Mathilda Avenue to the west approximately 500 feet is a major thoroughfare
- Highway 101 is to the north approximately 1,600 feet

Hazards: The Subdivider advises that the following hazards exist within or near this subdivision:

- High pressure gas line runs under the project

Soil and Groundwater Contamination. The subdivision is located on a portion of property previously occupied by Ampex Corporation that manufactured electronics and other equipment ("**Site**"). The Site was listed as a closed cleanup program site in 2005 on the State Water Resources Control Board's GeoTracker website (http://geotracker.waterboards.ca.gov/profile_report.asp?global_id=SL18352772) due to a reported volatile organic compound ("VOC") plume below the Site. Although the Site was closed in 2005, investigations conducted at the Site in 2006 detected elevated VOCs and petroleum hydrocarbons ("TPH") in the groundwater in addition to 2 leaking underground storage tanks located upgradient/upstream from the Site. Environmental site assessments were conducted in 2016 and 2018 which identified concentrations of VOCs, metals, organochlorine pesticides and TPHs in soils samples below applicable screening levels. Groundwater samples identified trichloroethylene ("TCE") levels above maximum contaminant levels but was not considered a concern for the proposed redevelopment of the Site. Based on opinions of the soils engineers, the Site was deemed appropriate for residential development and as a precautionary measure Subdivider has installed a vapor barrier and venting system below the foundations of the buildings and homes to prevent any gases permeating the living spaces above. The vapor barriers below the condominium buildings will be maintained by the Association while the vapor barriers below the duets and detached homes will be maintained by the lot owners.

The Subdivider has advised that all or portions of the subdivision subject to this Public Report are located within a *Seismic Hazard Zone (for Liquefaction)*. Additionally, the Subdivider has advised that prospective purchasers within this Zone will be provided a separate disclosure required under Public Resources Code Section 2694.

If any disclosure, or any material amendment to any disclosure, required to be made by the Subdivider regarding this natural hazard is delivered after the execution of an offer to purchase, the purchaser shall have three days after delivery in person or five days after delivery by deposit in the mail to terminate the offer by delivery of a written notice of termination to the Subdivider or the Subdivider's agent.

Notice of Airport in Vicinity: This property is presently located in the vicinity of an airport, within what is known as an airport influence area. For that reason, the property may be subject to some of the annoyances or inconveniences associated with proximity to airport operations (for example: noise, vibration, or odors). Individual sensitivities to those annoyances can vary from person to person. You may wish to consider what airport annoyances, if any, are associated with the property before you complete your purchase and determine whether they are acceptable to you.

California Business & Professions Code Section 11010(b)(13)(B) provides an "airport influence area", also known as an "airport referral area", is the area in which current or future airport-related noise, overflight, safety, or airspace protection factors may significantly affect land uses or necessitate restrictions on those uses as determined by an airport land use commission.

PURCHASERS SHOULD FAMILIARIZE THEMSELVES WITH THE SURROUNDING AREAS OF THE SUBDIVISION BEFORE SIGNING A CONTRACT.

TITLE

Preliminary Report: A preliminary report will be issued by the title insurer to reflect those items that affect the condition of title. You are encouraged to request a copy of this preliminary report for review of those items that affect the Residence you are purchasing. Those items typically shown on a report include, but are not limited to, general and special taxes, easements, mechanic liens, monetary encumbrances, trust deeds, utilities, rights of way and CC&Rs. In most instances, copies of documents can be provided to you upon request.

Additionally, the preliminary report shows title, among other things, to be subject to the following:

- The terms and provisions contained in the document entitled "Master Declaration for Title 7 & Dispute Resolution for Elev8tion" recorded April 6, 2020 as Document No. 24448378 of Official Records.

Easements: Easements for emergency vehicle access, public utility, public sidewalk, private vehicular and pedestrian ingress and egress, avigation and incidental purposes and other purposes are shown on the preliminary report and subdivision map, Tract No. 10467 - Elev8tion, recorded on March 25, 2019, in Book 922 of Maps, at Page 21, in the Office of the Santa Clara County Recorder. Adjustments to the original subdivision map may also be recorded. You may ask the Subdivider about such changes. If you purchase a lot subject to said adjustment, this information will be included in your title policy.

For Condominium Units on Lot 26: Easements are also shown on a Condominium Plan recorded on April 22, 2020 as Instrument No. 24460795, in the Office of the Santa Clara County Recorder. Amendments to the original condominium plan may also be recorded. You may ask the Subdivider about such changes. If you purchase a condominium unit, this information will be included in your title policy.

TAXES

Regular Taxes: The maximum amount of any tax on real property that can be collected annually by counties is 1% of the full cash value of the property. With the addition of interest and redemption charges on any indebtedness, approved by voters prior to July 1, 1978, the total property tax rate in most counties is approximately 1.25% of the full cash value. In some counties, the total tax rate could be well above 1.25% of the full cash value. For example, an issue of general obligation bonds previously approved by the voters and sold by a county water district, a sanitation district or other such district could increase the tax rate.

For the purchaser of a detached home or duet in this subdivision, the full cash value of the lot will be the valuation, as reflected on the tax roll, determined by the county assessor as of the date of purchase of the lot or as of the date of completion of an improvement on the lot if that occurs after the date of purchase.

For the purchaser of a condominium unit in this subdivision, the full cash value of the unit will be the valuation, as reflected on the tax roll, determined by the county assessor as of the date of purchase of the unit or as of the date of completion of an improvement on the unit if that occurs after the date of purchase.

Notice of Your 'Supplemental' Property Tax Bill

California property tax law requires the Assessor to revalue real property at the time the ownership of the property changes. Because of this law, you may receive one or two supplemental tax bills, depending on when your loan closes. The supplemental tax bills are not mailed to your lender. If you have arranged for your property tax payments to be paid through an impound account, the supplemental tax bills will not be paid by your lender. It is your responsibility to pay these supplemental bills directly to the Tax Collector. If you have any questions concerning this matter, please call your local Tax Collector's Office.

Special Taxes & Assessments: This subdivision lies within the boundaries of the following districts and is subject to any taxes, assessments and obligations thereof:

- SCVWD Clean Safe Creeks

FINANCING

If your purchase involves financing, a form of deed of trust and note will be used. The provisions of these documents may vary depending upon the lender selected. These documents may contain the following provisions:

Acceleration Clause: This is a clause in a mortgage or deed of trust which provided that if the borrower (trustor) defaults in repaying the loan, the lender may declare the unpaid balance of the loan immediately due and payable.

Due-on-Sale Clause: If the loan instrument for financing your purchase of an interest in this subdivision includes a due-on-sale clause, the clause will be automatically enforceable by the lender when you sell the property. This means that the loan will not be assumable by a purchaser without the approval of the lender. If the lender does not declare the loan to be all due and payable on transfer of the property by you, the lender is nevertheless likely to insist upon modification of the terms of the instrument as a condition to permitting assumption by the purchaser. The lender will almost certainly insist upon an increase in the interest rate if the prevailing interest rate at the time of the proposed sale of the property is higher than the interest rate of your promissory note.

Balloon Payment: This means that your monthly payments are not large enough to pay off the loan, with interest, during the period for which the loan is written and that at the end period, you must pay the entire remaining balance in one payment. If you are unable to pay the balance and the remaining balance is a sizable one, you should be concerned with the possible difficulty in refinancing the balance. If you cannot refinance or sell your property, or pay off the balloon payment, you will lose your property.

Prepayment Penalty: This means that if you wish to pay off your loan in whole or in part before it is due, you must, in addition, pay a penalty.

Late Charge: This means that if you fail to make your installment payment on or before the due date or within a specified number of days after the due date, you, in addition, must pay a penalty.

Adjustable Rate Loan: The Subdivider may assist you in arranging financing from a federal or state regulated lender which will make loans that allow the interest rates to change over the life of the loan. An interest rate increase ordinarily causes an increase in the monthly payment that you make to the lender. The lender will provide you with a disclosure form about the financing to assist you in the evaluation of your ability to make increased payments during the term of the loan. This disclosure form will be furnished to

you at the time you receive your loan application and before you pay a nonrefundable fee.

Affordable Housing Program: This Subdivision is subject to the "Below Market Rate Housing Developer Agreement and Declaration of Restrictive Covenants" recorded March 21, 2019 as Document No. 24139645, as amended by the "First Amendment to Below Market Rate Housing Developer Agreement and Declaration of Restrictive Covenants" recorded March 5, 2020 as Document No. 24421772, both of Official Records of Santa Clara County.
