(Refer to Section 11012 of the B&P Code; and Chapter 6, Title 10 of the California Administrative Code, Regulation 2800.) Section 12920 of the California Government Code provides that the practice of discrimination in housing accommodations on the basis of race, color, religion, sex, marital status, domestic partnership, national origin, physical handicap, ancestry, gender identity, gender expression, sexual orientation, familial status, source of income, disability, or genetic information is against public policy.

Under Section 125.6 of the B&P Code, California real estate licensees are subject to disciplinary action by the Real Estate Commissioner if they discriminate or make any distinction or restriction in negotiating the sale or lease of real property because of the race, color, sex, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, or physical handicap of the client. If any prospective buyer or lessee believes that a licensee is guilty of such conduct, (s)he should contact the Bureau of Real Estate.

Read the entire report on the following pages before contracting to buy or lease an interest in this subdivision.

Common Interest Development

The project described in the attached Subdivision Public Report is known as a common-interest development. Read the Public Report carefully for more information about the type of development. The development includes common areas and facilities which will be owned and/or operated by an owners' association. Purchase of a lot or unit automatically entitles and obligates you as a member of the association and, in most cases, includes a beneficial interest in the areas and facilities. Since membership in the association is mandatory, you should be aware of the following information before you purchase:

Governing Instruments

Your ownership in this development and your rights and remedies as a member of its association will be controlled by governing instruments which generally include a Declaration of Restrictions (also known as CC&R's), Articles of Incorporation (or association) and bylaws. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Study these documents carefully before entering into a contract to purchase a subdivision interest.

Assessments

In order to provide funds for operation and maintenance of the common facilities, the association will levy assessments against your lot or unit. If you are delinquent in the payment of assessments, the association may enforce payment through court proceedings or your lot or unit may be liened and sold through the exercise of a power of sale. The anticipated income and expenses of the association, including the amount that you may expect to pay through assessments, are outlined in the proposed budget. Ask to see a copy of the budget if the Subdivider has not already made it available for your examination.

Common Facilities

A homeowner association provides a vehicle for the ownership and use of recreational and other common facilities which were designed to attract you to buy in this development. The association also provides a means to accomplish architectural control and to provide a base for homeowner interaction on a variety of issues. The purchaser of an interest in a common-interest development should contemplate active participation in the affairs of the association. He or she should be willing to serve on

the board of directors or on committees created by the board. In short, "they" in a common interest development is "you". Unless you serve as a member of the governing board or on a committee appointed by the board, your control of the operation of the common areas and facilities is limited to your vote as a member of the association. There are actions that can be taken by the governing body without a vote of the members of the association which can have a significant impact upon the quality of life for association members.

Subdivider Control

Until there is a sufficient number of purchasers of lots or units in a common interest development to elect a majority of the governing body, it is likely that the Subdivider will effectively control the affairs of the association. It is frequently necessary and equitable that the Subdivider do so during the early stages of development. It is vitally important to the owners of individual subdivision interests that the transition from Subdivider to resident-owner control be accomplished in an orderly manner and in a spirit of cooperation.

Cooperative Living

When contemplating the purchase of a dwelling in a common interest development, you should consider factors beyond the attractiveness of the dwelling units themselves. Study the governing instruments and give careful thought to whether you will be able to exist happily in an atmosphere of cooperative living where the interests of the group must be taken into account as well as the interests of the individual. Remember that managing a common interest development is very much like governing a small community ... the management can serve you well, but you will have to work for its success. [B & P Code Section 11018.1(c)]

In addition, the Association has the right to adopt rules and regulations and guidelines for the subdivision and which will include subdivision design/architectural guidelines which will set forth the guidelines and procedures for design/architectural review within the subdivision. There may also be supplementary declarations or notices of annexation (“**Supplementary Declarations**”) which will be recorded against portions of the subdivision which may set forth additional restrictions and easements covering the areas covered by the Supplementary Declaration(s) (the CC&Rs, Bylaws, Articles, Supplementary Declaration (s) and rules and regulations and design/architectural guidelines may hereinafter be referred to as the “**Governing Documents**”). Constructed within this area are included a swim center, fitness center, courtyards with sitting and gathering places, outdoor fireplaces, a multi-purpose fitness room, caterer's kitchen, restrooms, locker room and shower facilities. According to the Use Agreement, the Declarant will retain ownership of and the obligation to maintain the Recreational Facilities until the Recreational Facilities are conveyed to the Association on the earlier to occur of the close of escrow for the conveyance of the 125th lot in the Master Planned Community. Until such conveyance, the Members of the Association will have the rights to use the Recreational Facilities, as described in the Use Agreement. The Use Agreement allows the Declarant the right to make the Recreational Facilities available to the general public for special events up to a total of 60 days each year during the Declarant's ownership of the Recreational Facilities, during which time the facilities will not be available for use by the Association or its members or invitees. The Declarant shall also have the unilateral right during the term of the Use Agreement to temporarily prohibit or restrict access over any portion of the area for purposes as the Declarant, in its sole discretion, deems appropriate. In exchange for this right, the Declarant agrees not to charge a use fee to the Members or the Association. You should read the Use Agreement for information as to the obligation and rights of the Subdivider and the Association. The Subdivider will make the Use Agreement available to you.

A Notice of Completion for the Recreational Facilities (Parcel HHH) was recorded November 15, 2011, Series No. 2011-247436, in the Office of the Contra Costa Records Officer.

DOCUMENTS TO BE FURNISHED: THE SUBDIVIDER STATED THAT HE WILL FURNISH THE CURRENT BOARD OF OFFICERS OF THE ASSOCIATION AND EACH INDIVIDUAL PURCHASER WITH THE BUREAU OF REAL ESTATE REVIEWED ASSOCIATION BUDGET.

THE SUBDIVIDER MUST MAINTAIN AND DELIVER TO THE ASSOCIATION THE SPECIFIC RECORDS AND MATERIALS LISTED IN REAL ESTATE COMMISSIONER'S REGULATION 2792.23 WITHIN THE STATED TIME PERIOD. THESE RECORDS AND MATERIALS DIRECTLY AFFECT THE ABILITY OF THE ASSOCIATION TO PERFORM ITS DUTIES AND RESPONSIBILITIES (SECTION 11018.5 OF THE BUSINESS AND PROFESSIONS CODE AND SECTION 4800 OF THE CIVIL CODE).

THE SUBDIVIDER SHALL MAKE A COPY OF THE ARTICLES, THE BYLAWS, AND THE CC&RS AVAILABLE FOR EXAMINATION BY A PROSPECTIVE BUYER BEFORE EXECUTION OF AN OFFER TO PURCHASE A LOT. A COPY OF EACH MUST ALSO BE GIVEN TO EACH BUYER AS SOON AS PRACTICABLE BEFORE CLOSE OF ESCROW. THESE DOCUMENTS CONTAIN NUMEROUS MATERIAL PROVISIONS THAT SUBSTANTIALLY AFFECT AND CONTROL YOUR RIGHTS, PRIVILEGES, USE, OBLIGATIONS, AND COSTS OF MAINTENANCE AND OPERATION. YOU SHOULD READ AND UNDERSTAND THESE DOCUMENTS BEFORE YOU OBLIGATE YOURSELF TO PURCHASE A LOT (BUSINESS AND PROFESSIONS CODE SECTION 11018.6).

MAINTENANCE AND OPERATIONAL EXPENSES

Association to Levy Assessments: The association has the right to levy assessments against you for maintenance of the common areas, amenities and facilities, and other purposes. Your control of operations and expenses is limited to the right of your elected representatives to vote on certain provisions at Association meetings.

Proposed Budgets: The Declarant has submitted budgets for the management, maintenance and operation of the Association obligations and for long-term reserves when the subdivision is substantially completed (built-out budget) and interim budgets applicable to these phases. Updated budgets were reviewed by the Bureau of Real Estate in January 2018. You should obtain copies of these budgets from the Subdivider.

Due to uncertainty in the sequence in which the phases in this subdivision will close escrows in individual housing types located in the overall subdivision, it is difficult to predict at this time the amount of the monthly assessment which will be assessed against each lot in the subdivision.

As the overall subdivision is developed and additional phases of the subdivision become subject to assessment, the level of monthly assessments in existing phases of the subdivision may increase or decrease, subject to the limitations in the CC&Rs or Bylaws. Under the interim budget on file with the Bureau of Real Estate, the range of monthly assessments during the development period will be between \$388.50 (best case) and \$648.05 (worst case). Of these amounts, the monthly contributions toward long-term reserves which are not to be used to pay for current management, maintenance and operating expenses will be between \$29.82 and \$108.79.

According to the Subdivider, assessments under the interim budget should be sufficient for management, maintenance and operation of the Association's obligations until the subdivision is substantially completed at which time it may be anticipated that assessments will be adjusted. Prior to the close of escrow for the sale of your lot, the Subdivider will provide you with a copy of the budget for your phase, reflecting the amount of the initial assessment you will actually pay to the Association.

IF THE BUDGET FURNISHED TO YOU BY THE SUBDIVIDER SHOWS A MONTHLY ASSESSMENT FIGURE WHICH IS OUTSIDE OF THE RANGE OF ASSESSMENTS REFLECTED IN THE FINAL PUBLIC REPORT, YOU SHOULD CONTACT THE BUREAU OF REAL ESTATE BEFORE ENTERING INTO A CONTRACT TO PURCHASE.

NOTE: THE BUDGET INFORMATION INCLUDED IN THIS PUBLIC REPORT IS APPLICABLE AS OF THE DATE OF BUDGET REVIEW AS SHOWN ABOVE. EXPENSES OF OPERATION ARE DIFFICULT TO PREDICT AND EVEN IF ACCURATELY ESTIMATED INITIALLY, MOST EXPENSES INCREASE WITH THE AGE OF FACILITIES AND WITH INCREASES IN THE COST OF LIVING.

BUDGET INFORMATION PROVIDED BY SUBDIVIDER: DELINQUENCIES IN THE PAYMENT OF ASSOCIATION ASSESSMENTS AFFECT THE ABILITY OF THE ASSOCIATION TO PERFORM ANY OR ALL OF ITS RESPONSIBILITIES AND COULD ALSO RESULT IN UNFORESEEN SPECIAL ASSESSMENTS LEVIED AGAINST ALL HOMES OR A SIGNIFICANT REDUCTION IN BUDGETED ASSOCIATION SERVICES. THE SUBDIVIDER MUST IMMEDIATELY NOTIFY THE BUREAU OF REAL ESTATE IN WRITING, IF DELINQUENT ASSESSMENTS HAVE CAUSED THE ASSOCIATION TO RECEIVE TEN PERCENT (10%) LESS INCOME THAN REFLECTED IN THE THEN CURRENT ASSOCIATION BUDGET (REGULATION 2800K).

THE SUBDIVIDER MUST MAKE AVAILABLE TO YOU A STATEMENT CONCERNING ANY DELINQUENT ASSESSMENTS AND RELATED CHARGES AS PROVIDED BY THE GOVERNING DOCUMENTS AND, IF AVAILABLE, CURRENT FINANCIAL INFORMATION AND RELATED STATEMENTS (BUSINESS AND PROFESSIONS CODE SECTION 11018.6).

NOTE: The CalBRE budget reviewer advises that a Reserve Study for the Wilder Homeowners Association was conducted in December 2017. Based on this Study, the association's reserve fund is projected to have an anticipated balance of \$99,925.46 as of 10/01/2018; this would result in the Association's reserve funding being 40.76% funded whereas ideal funding is 100%.

In addition to other documentation provided to each prospective Buyer, a copy of the current financial information, and related statements, to the extent available, as specified by Section (b) of Civil Code Section 5300 must be made available for examination by a prospective Buyer before the execution of an offer to purchase a Lot. A copy of this financial information must also be given to each Buyer as soon as practicable before close of escrow. YOU SHOULD PAY SPECIAL ATTENTION TO THIS FINANCIAL INFORMATION, AS IT PERTAINS TO CURRENT AND POSSIBLE FUTURE FINANCIAL OBLIGATIONS AFFECTING ALL HOMEOWNERS WITHIN THE SUBDIVISION ASSOCIATION. If you do not understand the contents of these financial documents, you may wish to consult with your own professional advisors. Should the amounts

collected by the Association prove insufficient to properly maintain, operate, repair or replace the common facilities, the Association may increase Regular Assessments or levy one or more Special Assessments in accordance with the Governing Documents in order to provide such funding, which may affect your ability to purchase, or, as an alternative, the Association may decide to defer maintenance or eliminate services.

Exemptions from Association Regular Assessments: The Covenants, Conditions and Restrictions provide that the Subdivider or other owner of a subdivision interest will be allowed to defer from payment, that portion of any assessment which is directly attributable to any structural improvement and/or common facility that is not complete at the time assessments commence. The amount of the deferment may be a fixed amount, or may vary based upon dates of completion or use. Once the established criterion is met and the authority allowing the deferment is eliminated, all owners must pay the full amount of the monthly assessment as outlined herein. The limitations of this allowance are specifically set forth in the Restrictions. (Regulation 2792.16c).

Utility Rates: The utility rates used for the calculations within the above referenced budgets are based on information available at the time of the budget review dates (as shown above). Increases in assessments may be required as a measure to provide adequate funds to compensate for potential utility rate increases. Purchasers should be aware of the possible affect these increases may have on their assessments.

Assessments Increases/Decreases: The Association may increase or decrease assessments at any time in accordance with the procedure prescribed in the CC&Rs or Bylaws. In considering the advisability of a decrease (or a smaller increase) in assessments, care should be taken not to eliminate amounts attributable to reserves for replacement or major maintenance.

Commencement of Assessments: Regular assessments for the Association will commence on lots in this phase on the first day of the month immediately following the conveyance of the first lot in the phase. The Subdivider must pay assessments to the Association for all lots (Regulations 2792.9 and 2792.16).

Failure to Pay: The remedies available to the Association against owners who are delinquent in the payment of assessments are set forth in the CC&Rs. These remedies are available against the Subdivider as well as against other owners.

Subdivider's Assessment Security: The Subdivider has posted a bond as partial security for the obligation to pay these assessments. The governing body of the Association should assure itself that the Subdivider has satisfied these obligations to the Association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

USES/ZONING/HAZARD DISCLOSURES

The Subdivider has set forth below references to various uses, zoning, hazards and other matters based on information from a variety of sources. You should independently verify the information regarding these matters, as well as all other

matters, that may be of concern to you regarding the subdivision and all existing, proposed or possible future uses adjacent to or in the vicinity of the subdivision. At the time this public report was issued, some of the land uses that surround the subdivision include, but are not limited to, the following:

Zoning:

North - Single-family residential, open space
South - Open space
East - Single-family residential
West - Single-family residential

Uses:

- Agricultural uses in the open space surrounding the overall project.

Hazards: The Subdivider advises that the following hazards exist within or near this subdivision:

The Subdivider has advised that the map for all or portions of the subdivision subject to this Public Report determining if it is located within a *Seismic Hazard Zone* has not yet been released by the state.

If any disclosure, or any material amendment to any disclosure, required to be made by the Subdivider regarding this natural hazard is delivered after the execution of an offer to purchase, the purchaser shall have three days after delivery in person or five days after delivery by deposit in the mail to terminate the offer by delivery of a written notice of termination to the Subdivider or the Subdivider's agent.

If your lot is located within one or more Statutory Natural Hazard Areas, your ability to further develop the real property, to obtain insurance, or to receive assistance after a disaster may be affected. You should therefore contact your lender and insurance carrier for more information regarding types of insurance and costs to cover your property. Additionally, since purchasers are not required to receive a separate disclosure for property owned by the Association, you should also contact the Association regarding any assessment increases due to additional insurance costs associated with the Statutory Natural Hazard Areas which may affect the Association maintained areas, if any.

Notice of Right to Farm: This property is located within one mile of a farm or ranch land designated on the current county-level GIS "Important Farmland Map," issued by

the California Department of Conservation, Division of Land Resource Protection. Accordingly, the property may be subject to inconveniences or discomforts resulting from agricultural operations that are a normal and necessary aspect of living in a community with a strong rural character and a healthy agricultural sector. Customary agricultural practices in farm operations may include, but are not limited to, noise, odors, dust, light, insects, the operation of pumps and machinery, the storage and disposal of manure, bee pollination, and the ground or aerial application of fertilizers, pesticides, and herbicides. These agricultural practices may occur at any time during the 24-hour day. Individual sensitivities to those practices can vary from person to person. You may wish to consider the impacts of such agricultural practices before you complete your purchase. Please be advised that you may be barred from obtaining legal remedies against agricultural practices conducted in a manner consistent with proper and accepted customs and standards pursuant to Section 3482.5 of the Civil Code or any pertinent local ordinance.

PURCHASERS SHOULD FAMILIARIZE THEMSELVES WITH THE SURROUNDING AREAS OF THE SUBDIVISION BEFORE SIGNING A PURCHASE AGREEMENT/CONTRACT.

TITLE

Preliminary Report: A preliminary report will be issued by the title insurer to reflect those items that affect the condition of title. You are encouraged to request a copy of this preliminary report for review of those items that affect the lot you are purchasing. Those items typically shown on a report include, but are not limited to, general and special taxes, easements, mechanic liens, monetary encumbrances, trust deeds, utilities, rights of way and CC&Rs. In most instances, copies of documents can be provided to you upon request.

Additionally the preliminary report shows title, among other things, to be subject to the following:

- The terms and provisions contained in the document entitled Subdivision Improvement Agreement recorded July 22, 2008 as Instrument No. 2008-0162766 of Official Records.
- The terms and provisions contained in the document entitled "Declaration of Disclosures, Right of Entry and Restrictive Covenants Regarding Orinda Geologic Hazard Abatement District" recorded July 25, 2013 as Instrument No. 2013-0186100 of Official Records.
- Easement Agreement (Wilder Road) recorded April 4, 2014 as Instrument No. 2014-0051731 of Official Records.
- The terms and provisions contained in the document entitled "Amended and Restated Easement and Conveyance Agreement (Private Streets and Access Ways)" recorded March 10, 2017 as Instrument No. 2017-0042784 of Official Records.

Easements: Easements for private access, geologic hazard abatement district slope and storm drain, public utilities, sanitary sewer, utilities, emergency vehicle access, public trail easements, and other purposes are shown on the title report and Subdivision Map recorded on December 12, 2013 in the Office of the Contra Costa County Recorder, Book 518 of Maps, Pages 29 through 44, as Document Number 13-286279.

Adjustments to the original subdivision map(s) may also be recorded. You may ask the Subdivider about such changes. If you purchase a lot subject to said adjustment, this information will be included in your title policy.

TAXES

Regular Taxes: The maximum amount of any tax on real property that can be collected annually by counties is 1% of the full cash value of the property. With the addition of interest and redemption charges on any indebtedness, approved by voters prior to July 1, 1978, the total property tax rate in most counties is approximately 1.25% of the full cash value. In some counties, the total tax rate could be well above 1.25% of the full cash value. For example, an issue of general obligation bonds previously approved by the voters and sold by a county water district, a sanitation district or other such district could increase the tax rate.

For the purchaser of a lot in this subdivision, the full cash value of the lot will be the valuation, as reflected on the tax roll, determined by the county assessor as of the date of purchase of the lot or as of the date of completion of an improvement on the lot if that occurs after the date of purchase.

Notice of Your 'Supplemental' Property Tax Bill

California property tax law requires the Assessor to revalue real property at the time the ownership of the property changes. Because of this law, you may receive one or two supplemental tax bills, depending on when your loan closes. The supplemental tax bills are not mailed to your lender. If you have arranged for your property tax payments to be paid through an impound account, the supplemental tax bills will not be paid by your lender. It is your responsibility to pay these supplemental bills directly to the Tax Collector. If you have any questions concerning this matter, please call your local Tax Collector's Office.

Special Taxes & Assessments: This subdivision lies within the boundaries of the Wilder Geologic Hazard Abatement District (GHAD Assessment), Contra Costa County Mosquito Vector Control (Mosquito Abatement Fee), County Emergency Med. Zone B, CCCSD Sewer Charge Sanitary District, Federal Storm Water A-10 Storm Water Management, Orinda Elementary School District (Parcel Tax B), Orinda Elementary School District (Parcel Tax), City of Orinda Library Parcel Tax, Acalanes Union High School District (Measures G & A Parcel Tax), and the Moraga Orinda Fire Protection District (Fire Flow Special Tax) Districts and is subject to any taxes, assessments and

obligations thereof. The estimated total of these taxes/assessments is \$4,629.99 per lot/year for 2017/2018.

This subdivision lies within the boundaries of the East Bay Regional Park Assessment District Zone 6 and is subject to any taxes, assessments and obligations thereof. This District was formed to provide operation and maintenance of the following, but shall not be limited to, trails maintenance, drinking fountains, erosion control, fence repair, fire suppression, litter control, weed abatement, and landscaping. The District budget for each fiscal year will be based upon the actual costs provided for in the awarded contract for these services. This means assessments can fluctuate from year to year as contracts expire. As of the date of this Public Report, the assessment for each residential unit within this subdivision will be \$102.46 for 2017/2018. The administration of this District will be provided by NBS.

This subdivision lies within the Community Facilities District No. 2007-01 (Orinda Wilder Project) and is subject to any taxes, assessments and obligations thereof. The Subdivider must provide purchasers with a disclosure entitled, "Notice of Special Tax" prior to a purchaser entering into a contract to purchase. This Notice contains important information about district functions, purchaser's obligations, right of the district, and information on how to contact the district for additional materials. Purchasers should thoroughly understand the information contained in the Notice prior to entering into a contract to purchase. This special tax appears on the yearly property tax bill, and is in addition to the tax rate affecting the property described above in the section entitled "Regular Taxes." Please note that this CFD will provide public facilities and services. The public facilities include: storm drainage systems, sanitary sewer, and water distribution systems, streets, fencing, sound, and retaining walls landscaping, wetlands mitigation and water basins. The public recreation center including building improvements, children's play areas, restrooms, lighting, playfields, landscaping, parking, art and garden center, police and fire facilities. FINANCING

Pursuant to Civil Code Sections 2956 through 2967, inclusive, Subdivider and purchasers must make certain written disclosures regarding financing terms and related information. The Subdivider will advise purchasers of disclosures needed from them, if any.

If your purchase involves financing, a form of deed of trust and note will be used. The provisions of these documents may vary depending upon the lender selected. These documents may contain the following provisions:

Acceleration Clause: This is a clause in a mortgage or deed of trust which provided that if the borrower (trustor) defaults in repaying the loan, the lender may declare the unpaid balance of the loan immediately due and payable.

Due-on-Sale Clause: If the loan instrument for financing your purchase of an interest in this subdivision includes a due-on-sale clause, the clause will be automatically enforceable by the lender when you sell the property. This means that the loan will not be assumable by a purchaser without the approval of the lender. If the lender does not declare the loan to be all due and payable on transfer of the property by you, the lender is nevertheless likely to insist upon modification of the terms of the instrument as a condition to permitting assumption by the purchaser. The lender will almost certainly insist upon an increase in the interest rate if the prevailing interest rate at the time of the proposed sale of the property is higher than the interest rate of your promissory note.

Balloon Payment: This means that your monthly payments are not large enough to pay off the loan, with interest, during the period for which the loan is written and that at the end period, you must pay the entire remaining balance in one payment. If you are unable to pay the balance and the remaining balance is a sizable one, you should be concerned with the possible difficulty in refinancing the balance. If you cannot refinance or sell your property, or pay off the balloon payment, you will lose your property.

Prepayment Penalty: This means that if you wish to pay off your loan in whole or in part before it is due, you must, in addition, pay a penalty.

Late Charge: This means that if you fail to make your installment payment on or before the due date or within a specified number of days after the due date, you, in addition, must pay a penalty.

Adjustable Rate Loan: The Subdivider may assist you in arranging financing from a federal or state regulated lender which will make loans that allow the interest rates to change over the life of the loan. An interest rate increase ordinarily causes an increase in the monthly payment that you make to the lender. The lender will provide you with a disclosure form about the financing to assist you in the evaluation of your ability to make increased payments during the term of the loan. This disclosure form will be furnished to you at the time you receive your loan application and before you pay a nonrefundable fee.

BEFORE AGREEING TO ANY FINANCING PROGRAM OR SIGNING ANY LOAN DOCUMENTS, YOU SHOULD READ AND THOROUGHLY UNDERSTAND ALL THE PROVISIONS CONTAINED IN THE LOAN DOCUMENTS.

PURCHASE MONEY HANDLING

The Subdivider must impound all funds (purchase money) received from you in an escrow depository until legal title is delivered to you, except for such amount as the Subdivider has covered by furnishing a bond to the State of California. Refer to Business and Professions Code Section 11013, 11013.4(a) and 11013.4(b).]

If the escrow has not closed on your lot within twelve (12) months of the date of Subdivider's acceptance of your offer you may request the return of your purchase money deposit.

NOTE: Section 2995 of the Civil Code provides that no real estate Subdivider shall require as a condition precedent to the transfer of real property containing a single-family residential dwelling that escrow services effectuating such transfer shall be provided by an escrow entity in which the Subdivider has a financial interest of 5% or more.

THE SUBDIVIDER HAS NO FINANCIAL INTEREST IN THE ESCROW COMPANY WHICH IS TO BE USED IN CONNECTION WITH THE SALE OR LEASE OF LOTS IN THIS SUBDIVISION.
