This report expires on the date shown above. All material changes must be reported to the Department of Real Estate. (Refer to Section 11012 of the B&P Code; and Chapter 6, Title 10 of the California Administrative Code, Regulation 2800.) Some material changes may require amendment of the Public Report; which Amendment must be obtained and used in lieu of this report.

Section 12920 of the California Government Code provides that the practice of discrimination in housing accommodations on the basis of race, color, religion, sex, gender, gender identity, gender expression, sexual orientation, marital status, national origin, ancestry, familial status, source of income, disability, veteran or military status, or genetic information is against public policy.

Under Section 125.6 of the B&P Code, California real estate licensees are subject to disciplinary action by the Real Estate Commissioner if they discriminate or make any distinction or restriction in negotiating the sale or lease of real property because of the race, color, sex, religion, ancestry, national origin, disability, medical condition, genetic information, marital status, sexual orientation, or physical handicap of the client. If any prospective buyer or lessee believes that a licensee is guilty of such conduct, (s)he should contact the Department of Real Estate.

Read the entire report on the following pages before contracting to buy or lease an interest in this subdivision.

Common Interest Development

The project described in the attached Subdivision Public Report is known as a common-interest development. Read the Public Report carefully for more information about the type of development. The development includes common areas and facilities which will be owned and/or operated by an owners' association. Purchase of a lot or unit automatically entitles and obligates you as a member of the association and, in most cases, includes a beneficial interest in the areas and facilities. Since membership in the association is mandatory, you should be aware of the following information before you purchase:

Governing Instruments

Your ownership in this development and your rights and remedies as a member of its association will be controlled by governing instruments which generally include a Declaration of Restrictions (also known as CC&R's), Articles of Incorporation (or association) and bylaws. The provisions of these documents are intended to be, and in most cases are, enforceable in a court of law. Study these documents carefully before entering into a contract to purchase a subdivision interest.

Assessments

In order to provide funds for operation and maintenance of the common facilities, the association will levy assessments against your lot or unit. If you are delinquent in the payment of assessments, the association may enforce payment through court proceedings or your lot or unit may be liened and sold through the exercise of a power of sale. The anticipated income and expenses of the association, including the amount that you may expect to pay through assessments, are outlined in the proposed budget. Ask to see a copy of the budget if the subdivider has not already made it available for your examination.

Common Facilities

A homeowner association provides a vehicle for the ownership and use of recreational and other common facilities which were designed to attract you to buy in this development. The association also provides a means to accomplish architectural control and to provide a base for homeowner interaction on a variety of issues. The purchaser of an interest in a common-interest development should contemplate active participation in the affairs of the association. He or she should be willing to serve on the board of directors or on committees

created by the board. In short, "they" in a common interest development is "you". Unless you serve as a member of the governing board or on a committee appointed by the board, your control of the operation of the common areas and facilities is limited to your vote as a member of the association. There are actions that can be taken by the governing body without a vote of the members of the association which can have a significant impact upon the quality of life for association members.

Subdivider Control

Until there is a sufficient number of purchasers of lots or units in a common interest development to elect a majority of the governing body, it is likely that the subdivider will effectively control the affairs of the association. It is frequently necessary and equitable that the subdivider do so during the early stages of development. It is vitally important to the owners of individual subdivision interests that the transition from subdivider to resident-owner control be accomplished in an orderly manner and in a spirit of cooperation.

Cooperative Living

When contemplating the purchase of a dwelling in a common interest development, you should consider factors beyond the attractiveness of the dwelling units themselves. Study the governing instruments and give careful thought to whether you will be able to exist happily in an atmosphere of cooperative living where the interests of the group must be taken into account as well as the interests of the individual. Remember that managing a common interest development is very much like governing a small community ... the management can serve you well, but you will have to work for its success. [B & P Code Section 11018.1(c)]

Documents to be Furnished:

THE SUBDIVIDER STATED IT WILL FURNISH THE CURRENT BOARD OF OFFICERS OF EACH ASSOCIATION AND EACH INDIVIDUAL PURCHASER WITH THE DEPARTMENT OF REAL ESTATE REVIEWED ASSOCIATION’S BUDGETS.

THE SUBDIVIDER MUST MAINTAIN AND DELIVER TO THE ASSOCIATIONS THE SPECIFIC RECORDS AND MATERIALS LISTED IN REAL ESTATE COMMISSIONER’S REGULATION 2792.23 WITHIN THE STATED TIME PERIOD. THESE RECORDS AND MATERIALS DIRECTLY AFFECT THE ABILITY OF THE ASSOCIATIONS TO PERFORM THEIR DUTIES AND RESPONSIBILITIES (SECTION 11018.5 OF THE BUSINESS AND PROFESSIONS CODE)

THE SUBDIVIDER SHALL MAKE A COPY OF THE ARTICLES, BYLAWS AND THE CC&RS AVAILABLE FOR EXAMINATION BY A PROSPECTIVE BUYER BEFORE EXECUTION OF AN OFFER TO PURCHASE A UNIT. A COPY OF EACH MUST ALSO BE GIVEN TO EACH BUYER AS SOON AS PRACTICABLE BEFORE CLOSE OF ESCROW. THESE DOCUMENTS CONTAIN NUMEROUS MATERIAL PROVISIONS THAT SUBSTANTIALLY AFFECT AND CONTROL YOUR RIGHTS, PRIVILEGES, USE, OBLIGATIONS AND COSTS OF MAINTENANCE AND OPERATION. YOU SHOULD READ AND UNDERSTAND THESE DOCUMENTS BEFORE YOU OBLIGATE YOURSELF TO PURCHASE A UNIT. (BUSINESS AND PROFESSIONS CODE SECTION 11018.6)

MAINTENANCE AND OPERATIONAL EXPENSES

Associations to Levy Assessments: BOTH ASSOCIATIONS HAVE THE RIGHT TO LEVY ASSESSMENTS AGAINST YOU FOR MAINTENANCE OF THE COMMON AREAS, AMENITIES AND FACILITIES FOR WHICH THEY ARE RESPONSIBLE, AND OTHER PURPOSES. YOUR CONTROL OF OPERATIONS AND EXPENSES IS LIMITED TO THE RIGHT OF YOUR ELECTED REPRESENTATIVES TO VOTE ON CERTAIN PROVISIONS AT ASSOCIATION MEETINGS.

Proposed Master Association Budgets. The Subdivider has submitted proposed budgets for the management, maintenance and operation of the Master Association’s obligations and for long-term reserves when the Community is substantially completed (built-out budget) and interim budgets applicable to these phases. These budgets were reviewed by the Department of Real Estate in December 2024. You should obtain copies of the applicable budgets from the Subdivider.

Range of Assessment Budgets. The Subdivider has also submitted budgets for the management, maintenance and operation of the Master Association's obligations and interim range of assessment budgets applicable to Community Phases 2 through the Built-out Phase of the Community. These budgets were reviewed by the Department of Real Estate in December 2024. You should obtain copies of the applicable budgets from the Subdivider.

Due to uncertainty in the sequence in which phases in this subdivision will close escrows in individual housing types located in the overall subdivision, it is difficult to predict at this time the amount of the monthly assessment which will be assessed against each lot in the subdivision.

As the overall Community is developed and additional phases of the Community become subject to assessment, the level of monthly assessments in existing phases of the Community may increase or decrease, subject to the limitations in the Master CC&R's or Master Association Bylaws. Under the proposed interim budget reviewed by the Department of Real Estate, the range of monthly Master Association assessments during the development period will be between **\$85.00** and **\$177.00**. Of these amounts, the monthly contribution toward long-term reserves which are not to be used to pay for current operating expenses will be between \$14.91 and \$28.29.

Financials: According to the adopted budget, balance sheet, bank statement provided by Keystone Pacific Property Management ("**Management Company**"), the current budget appears adequate for operation and funding of reserves. The Master Association Balance Sheet dated June 30, 2024 shows a balance of \$16,002.20. The Reserve Account Bank Statement dated June 28, 2024 from Pacific Premier Bank shows a balance of \$16,002.20. The Assessment and Reserve Funding Disclosure for the fiscal year ending November 5, 2024 shows the Reserves 111.49% funded with a balance of \$25,406.72.

According to the Subdivider, assessments under the proposed interim Master Association budget should be sufficient for proper management, maintenance and operation of the Master Association's obligations until the subdivision is substantially completed at which time it may be anticipated that assessments will be adjusted. Prior to the close of escrow for the sale of your lot, the Subdivider will provide you with a copy of the budget for your phase, reflecting the amount of the initial assessment you will actually pay to the Master Association.

IF THE MASTER ASSOCIATION BUDGET FURNISHED TO YOU BY THE SUBDIVIDER SHOWS A MONTHLY ASSESSMENT FIGURE WHICH IS OUTSIDE OF THE RANGE OF ASSESSMENTS REFLECTED IN THE PUBLIC REPORT, YOU SHOULD CONTACT THE DEPARTMENT OF REAL ESTATE BEFORE ENTERING INTO A CONTRACT TO PURCHASE.

Proposed Neighborhood Association Budgets. The Subdivider has submitted proposed budgets for the management, maintenance and operation of the Neighborhood Association obligations and for long-term reserves when the Neighborhood Association Property is substantially completed (built-out budget) and interim budgets applicable to these phases. These budgets were reviewed by the Department of Real Estate in January 20, 2026. You should obtain copies of the applicable budgets from the Subdivider.

Range of Assessment Neighborhood Association Budgets. The Subdivider has also submitted budgets for the management, maintenance and operation of the Neighborhood Association's obligations and interim range of assessment budgets applicable to Neighborhood Association Phases 2 through the Neighborhood Association's Built-out Phase. These budgets were reviewed by the Department of Real Estate in January 20, 2026. You should obtain copies of the applicable budgets from the Subdivider.

Due to uncertainty in the sequence in which phases in this subdivision will close escrows in individual housing types located in the overall subdivision, it is difficult to predict at this time the amount of the monthly assessment which will be assessed against each lot in the subdivision.

As Oliva at Siena is developed and additional phases of the Neighborhood become subject to assessment, the level of monthly assessments in existing phases of the Neighborhood may increase or decrease, subject to the limitations in the Neighborhood Declaration or Neighborhood Association Bylaws. Under the proposed interim Neighborhood Association budget reviewed by the Department of Real Estate, the range of monthly Neighborhood Association assessments during the development period of the Neighborhood will be between **\$305.68** and **\$524.00**. Of these amounts, the monthly contribution toward long-term reserves which are not to be used to pay for current operating expenses will be between **\$82.60** and **\$80.43**.

Under the built-out budget, the monthly assessment against each condominium unit will be **\$303.00**. Of this amount, the monthly contribution towards long-term reserves is not to be used to pay for current management, maintenance and operating costs is **\$101.19**.

According to the Subdivider, assessments under the proposed interim budget should be sufficient for proper management, maintenance and operation of the Neighborhood Association's obligations until the Neighborhood is substantially completed at which time it may be anticipated that assessments will be adjusted. Prior to the close of escrow for the sale of your unit, the Subdivider will provide you with a copy of the Neighborhood Association budget for your phase, reflecting the amount of the initial assessment you will actually pay to the Neighborhood Association.

IF THE NEIGHBORHOOD ASSOCIATION RANGE OF ASSESSMENTS BUDGET FURNISHED TO YOU BY THE SUBDIVIDER SHOWS A MONTHLY ASSESSMENT FIGURE WHICH IS OUTSIDE OF THE RANGE OF ASSESSMENTS REFLECTED IN THE PUBLIC REPORT, YOU SHOULD CONTACT THE DEPARTMENT OF REAL ESTATE BEFORE ENTERING INTO A CONTRACT TO PURCHASE.

YOU SHOULD BE AWARE THAT IF, AND WHEN ADDITIONAL PHASE(S) ARE ANNEXED INTO THE SUBDIVISION, THE MONTHLY ASSESSMENTS AGAINST YOUR UNIT MAY INCREASE OR DECREASE DEPENDING UPON, AMONG OTHER THINGS, THE NUMBER OF DWELLING UNITS BEING ANNEXED IN SUCH SUBSEQUENT PHASE(S) AND WHETHER ANY ADDITIONAL COMMON AREA AND/OR COMMON FACILITIES ARE ALSO BEING ANNEXED AS PART OF ANY SUCH PHASE(S).

NOTE: ALL BUDGET INFORMATION INCLUDED IN THIS PUBLIC REPORT IS APPLICABLE AS OF THE DATE THE BUDGETS WERE REVIEWED AS SHOWN ABOVE. EXPENSES OF OPERATIONS ARE DIFFICULT TO PREDICT, AND EVEN IF

ACCURATELY ESTIMATED INITIALLY, MOST EXPENSES INCREASE WITH THE AGE OF FACILITIES AND WITH INCREASES IN THE COST OF LIVING.

Budget Information Provided by Subdivider. DELINQUENCIES IN THE PAYMENT OF EITHER ASSOCIATION'S ASSESSMENTS AFFECT THE ABILITY OF THE ASSOCIATION TO PERFORM ANY OR ALL OF THEIR RESPONSIBILITIES AND COULD ALSO RESULT IN UNFORESEEN SPECIAL ASSESSMENTS LEVIED AGAINST ALL HOMES OR A SIGNIFICANT REDUCTION IN BUDGETED ASSOCIATION SERVICES. THE SUBDIVIDER MUST IMMEDIATELY NOTIFY THE DEPARTMENT OF REAL ESTATE IN WRITING, IF DELINQUENT ASSESSMENTS HAVE CAUSED THE ASSOCIATION'S TO RECEIVE TEN PERCENT (10%) LESS INCOME THAN REFLECTED IN THE THEN CURRENT ASSOCIATION'S BUDGET (REGULATION 2800K).

THE SUBDIVIDER MUST MAKE AVAILABLE TO YOU A STATEMENT CONCERNING ANY DELINQUENT ASSESSMENTS AND RELATED CHARGES AS PROVIDED BY THE GOVERNING DOCUMENTS AND, IF AVAILABLE, CURRENT FINANCIAL INFORMATION AND RELATED STATEMENTS (BUSINESS AND PROFESSIONS CODE SECTION 11018.6).

In addition to other documentation provided to each prospective Buyer, a copy of the current financial information, and related statements, to the extent available, as specified by Section (b) of Civil Code Section 5300 must be made available for examination by a prospective Buyer before the execution of an offer to purchase a Unit. A copy of this financial information must also be given to each Buyer as soon as practicable before close of escrow. YOU SHOULD PAY SPECIAL ATTENTION TO THIS FINANCIAL INFORMATION, AS IT PERTAINS TO CURRENT AND POSSIBLE FUTURE FINANCIAL OBLIGATIONS AFFECTING ALL HOMEOWNERS IN EACH OF THE ASSOCIATIONS. If you do not understand the contents of these financial documents, you may wish to consult with your own professional advisors. Should the amounts collected by the Associations prove insufficient to properly maintain, operate, repair or replace the common facilities, the Associations may increase Regular Assessments or levy one or more Special Assessments in accordance with the Governing Documents in order to provide such funding, which may affect your ability to purchase, or, as an alternative, the Associations may decide to defer maintenance or eliminate services.

Utility Rates: The utility rates used for the calculations within the above referenced budgets are based on information available at the time of the budget review dates (as shown above). Increases in assessments may be required as a measure to provide adequate funds to compensate for potential utility rate increases. Purchasers should be aware of the possible affect these increases may have on their assessments.

Assessment Increases/Decreases: Each Association may increase or decrease its assessments at any time in accordance with the procedure prescribed in their respective CC&Rs or Bylaws. In considering the advisability of a decrease (or a small increase) in assessments, care should be taken not to eliminate amounts attributable to reserves for replacement or major maintenance.

Commencement of Assessments: Regular assessments for each of the Association will commence on all units in this Phase on the first day of the month following the conveyance of the first unit in this Phase. The Subdivider must pay assessments to both Associations for all unsold units in this Phase (Regulations 2792.9 and 2792.16)

Failure to Pay: The remedies available to the Associations against owners who are delinquent in the payment of assessments are set forth in the CC&Rs for each of the Associations. These remedies are available against the Subdivider as well as against all other owners.

Subdivider's Assessment Security: The Subdivider has posted bonds as partial security for its obligation to pay the assessments of the Master Association and the Neighborhood Association. The governing body of each Association should assure themselves that the Subdivider has satisfied these obligations to the Association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

First Amendment to Master Subsidy Agreement (Phase 38). The Subdivider and the Master Association have entered into First Amendment to Master Subsidy Agreement ("Phase 38 Subsidy") for the purpose of subsidizing a portion of the monthly Master Association assessments once 336 separate interests are under Master Association assessment, which is currently estimated to occur with the first closing in overall DRE Phase 38 of the Master Association. The Phase 38 Subsidy will continue in effect for an initial term of six (6) months with automatic extensions of six (6) months each thereafter, unless and until terminated as described below. The Subdivider shall pay to the Association the difference between the then-current monthly Annual Assessment as set forth in the approved budget on file with the Department of Real Estate and **One Hundred Fifty-One and 86/100 Dollars (\$151.86)** per month.

The Phase 38 Subsidy will have an initial term of six (6) months with automatic extensions of six (6) months each hereafter unless and until terminated on the earliest to occur of: (a) the date on which at least **461** separate interests in the Community are under assessment (currently anticipated to occur with the first close of escrow in overall DRE Phase 55 of the Master Association's Range of Assessments Budget); or (b) the date of termination stated in a written notice delivered by the Subdivider to Master Association and the Escrow Holder. Unless the term is terminated it shall automatically be extended for an additional six (6) months on the date that is six (6) months following the date of commencement of the initial term or extension thereof. No automatic extension shall cause the term of the Phase 38 Subsidy to extend beyond the date on which 461 homes are subject to assessment by the Association.

The Subdivider has posted a bond as partial security for the obligation to pay the subsidized assessments. The governing body of the Master Association should assure itself that the Subdivider has satisfied his obligations to the Master Association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

Amended and Restated Neighborhood Range Subsidy Agreement. The Subdivider and the Neighborhood Association have entered into a Neighborhood Subsidy Agreement ("**Neighborhood Range Subsidy**") for the purpose of subsidizing a portion of the monthly assessments for a portion of the units within the Neighborhood. Subdivider has determined that costs under the Prior Budget should be revised, and Subdivider submitted a revised Budget to DRE with the new costs ("**Revised Budget**"). DRE has reviewed the Revised Budget and now Subdivider and

Neighborhood Association have agreed to amend and restate the Prior Agreement to reflect the revised costs and Assessment amounts under the Revised Budget. The Subdivider shall pay to the Association the difference between the estimated monthly DRE Phase 32 Assessment of **Three Hundred Three and 00/100 Dollars (\$303.00)** and the then current monthly installment of the Annual Assessment as listed in the DRE reviewed Budget of the Neighborhood Association for the phase.

The Term of the Neighborhood Range Subsidy will commence as of the first day of the first month following the date of the first Close of Escrow for the sale of a Separate Interest that causes at least thirty-three (33) Separate Interests to be subject to Annual Assessments (currently anticipated to be the first Close of Escrow in DRE Phase 6 which is estimated to occur in February of 2026) and it shall continue in effect for an initial term of twenty-four (24) months with automatic extensions of six (6) months each thereafter, until terminated under the terms of the Neighborhood Range Subsidy.

The Term and the Subsidy obligation shall terminate on the earliest to occur of the following dates: (a) the date which at least **157** Separate Interests in the Neighborhood are under assessment (currently anticipated to occur in **DRE Phase 32** (currently anticipated to occur in February of 2028), as shown in the Revised Budget), or (b) the date of termination stated in a written notice delivered by the Subdivider to Neighborhood Association and Escrow Holder, given by the Subdivider not less than 10 days before the end of the initial Term or any extension thereof. Unless the term is terminated it shall automatically be extended for an additional six (6) months on the date that is twenty-three (23) months following the date of commencement of the initial term or extension thereof. No automatic extension shall cause the term of the Neighborhood Range Subsidy to extend beyond the date on which 157 Separate Interests throughout the Neighborhood are subject to assessment by the Neighborhood Association.

The Subdivider has posted a bond as partial security for the obligation to pay the subsidized assessments. The governing body of the Neighborhood Association should assure itself that the Subdivider has satisfied his obligations to the Neighborhood Association with respect to the payment of assessments before agreeing to a release or exoneration of the security.

First Amendment to Park and Recreational Facilities Maintenance and Use Agreement. The Subdivider and Master Association have entered into a First Amendment to Park and Recreational Facilities Maintenance and Use Agreement (“**Use Agreement**”). The Master Common Area in the Community is planned to include the park and recreational amenities construction on Parcel 10 of Parcel Map No. 37592 (collectively, the “**Recreational Facilities**”).

Subdivider and the Master Association now desire to enter into this Agreement: (1) to evidence Subdivider’s obligation to grant to the Master Association temporary, nonexclusive easements for access to and use of the completed Recreational Facilities; (2) to evidence the obligation to maintain the completed Recreational Facilities before the Recreational Facilities are conveyed in fee title to the Master Association; (3) to establish the Master Association’s right to perform, in certain circumstances, certain remedial maintenance of the Recreational Facilities before they are conveyed in fee title to the Master Association; (4) to evidence the obligation to convey the Recreational Facilities in fee title to the Master Association; and (5) to evidence Subdivider’s agreement to contribute accrued reserves for the Recreational Facilities. Subdivider anticipates conveying the Recreational Facilities to the Master Association in August of 2025.

First Amendment to Neighborhood Street Access, Use, Maintenance and Reserve Agreement (Oliva at Siena). Natural Hazards

The subdivider has advised that all or portions of the subdivision subject to this Public Report are located within a ***High or Very High Fire Hazard Severity Zone***. Additionally, the subdivider has advised that prospective purchasers within any of the foregoing Zones may be provided a separate disclosure as required under Government Code Section 51183.5 or any other applicable state law.

If any disclosure, or any material amendment to any disclosure, required to be made by the subdivider regarding this natural hazard is delivered after the execution of an offer to purchase, the purchaser shall have three days after delivery in person or five days after delivery by deposit in the mail to terminate the offer by delivery of a written notice of termination to the subdivider or the subdivider's agent.

CHANGE IN FIRE HAZARD SEVERITY ZONES. THE MAPS FOR THE STATE RESPONSIBILITY AREA AND LOCAL RESPONSIBILITY AREA INDICATING WHAT FIRE HAZARD SEVERITY ZONE THAT THE PROPERTY IS IN (IF AT ALL) CAN CHANGE. YOU SHOULD KEEP APPRISED OF THE CURRENT FIRE HAZARD SEVERITY ZONE THAT THE PROPERTY MAY BE IN. IN THE EVENT THE PROPERTY IS IN A FIRE HAZARD SEVERITY ZONE AND THAT FIRE HAZARD SEVERITY ZONE DECREASES, SUBDIVIDER WILL BE REQUIRED TO PROVIDE YOU WITH AN UPDATED INDIVIDUAL NATURAL HAZARD DISCLOSURE REPORT FOR YOUR REVIEW. IN THE EVENT THE PROPERTY IS LATER MAPPED TO BE IN A FIRE HAZARD SEVERITY ZONE OR THE PROPERTY IS ALREADY IN A FIRE HAZARD SEVERITY ZONE AND THAT FIRE HAZARD SEVERITY ZONE INCREASES BEFORE YOU CLOSE ESCROW ON THE PROPERTY, SUBDIVIDER WILL BE REQUIRED TO PROVIDE YOU WITH A DISCLOSURE REGARDING THE CHANGE AND AN UPDATED INDIVIDUAL NATURAL HAZARD DISCLOSURE REPORT BEFORE YOU CLOSE ESCROW ON THE PROPERTY. YOU SHOULD CAREFULLY CONSIDER THE INSURANCE AND OTHER IMPACTS ON YOUR FINANCIAL SITUATION THAT COULD RESULT IN THE EVENT THE PROPERTY IS LATER MAPPED TO BE IN A FIRE HAZARD SEVERITY ZONE OR THE FIRE HAZARD SEVERITY ZONE INCREASES AND YOU CHOOSE TO SUBSEQUENTLY CLOSE ESCROW ON THE PROPERTY.

Insurance. The inherent risks of wildfires in California along with the fire zone designation for the property may have an adverse impact on insurance premiums for homeowner's insurance or homeowner's insurance (fire insurance in particular) may not be available at all. If fire insurance is not available from a traditional carrier, then basic fire insurance may be available through the California FAIR Plan, but it may have certain limitations or exclusions on coverage as compared to traditional carriers. You should consult with a licensed California insurance agent for additional information about the costs and availability of insurance for the property. Subdivider has provided no assurances or guarantees as to whether any type of insurance is or will be available for the property or what the cost may be. The availability and cost of association fire or other casualty insurance for the common area may be similarly impacted as a result of the subdivision being located in a fire zone. This impact may result in the lack of insurance or assessment increases due to increases in insurance costs over time.

You should review the Individual Natural Hazard Disclosure Report for additional information regarding the fire zone designations. In addition to the disclosures set forth in the Individual Natural Hazard Disclosure Report, you are advised that property located within a fire hazard severity zone may be subject to additional requirements which may include, without limitation, requirements such as the following: (i) additional construction requirements which you would be required to comply with in the event you make modifications to the home; (ii) requirements relating to landscape installation and defensible space requirements; (iii) additional maintenance responsibilities such as adequate vegetation clearance and other fire-safety practices; and (iv) additional disclosure and compliance documentation requirements when you re-sell the home; all

as applicable. You should contact the local fire authority for more detailed information and you are also encouraged to review information on the Cal Fire website: <https://www.fire.ca.gov>. Both state and local agencies impose fire-related requirements and you will be required to comply with all such requirements as they may be updated from time to time as best practices evolve. In addition to the foregoing, you are advised that maps are updated periodically, and Subdivider makes no representations, guarantees or warranties with respect to any future fire zone designations.

The Subdivider has advised that all or portions of the subdivision subject to this Public Report are located within a ***State Responsibility Area*** (wildland area that may contain substantial forest fire risks and hazards) as determined by the California State Board of Forestry. Additionally, the Subdivider has advised that prospective purchasers within this Area will be provided a separate disclosure required under Public Resources Code Section 4136.

The Subdivider has advised that all or portions of the subdivision subject to this Public Report are located within a ***Seismic Hazard Zone***. Additionally, the Subdivider has advised that prospective purchasers within this Zone will be provided a separate disclosure required under Public Resources Code Section 2694.

If any disclosure, or any material amendment to any disclosure, required pursuant to 1103 et seq is delivered after the execution of an offer to purchase, the purchaser shall have three days after delivery in person or five days after delivery by deposit in the mail to terminate the offer by delivery of a written notice of termination to the Subdivider or the Subdivider's agent.

If your unit is located within one or more Statutory Natural Hazard areas, your ability to further develop the real property, to obtain insurance, or to receive assistance after a disaster may be affected. You should therefore contact your lender and insurance carrier for more information regarding types of insurance and costs to cover your property. Additionally, since purchasers are not required to receive a separate disclosure for property owned by the Association, you should also contact the Association regarding any assessment increases due to additional insurance costs associated with the Statutory Natural Hazard Areas which may affect the Association maintained areas, if any.

TAXES

Regular Taxes: The maximum amount of any tax on real property that can be collected annually by counties is one percent (1%) of the full cash value of the property. With the addition of interest and redemption charges on any indebtedness, approved by voters prior to July 1, 1978, the total property tax rate in most counties is approximately 1.25% of the full cash value. In some counties, the total rate could be well above 1.25% of the full cash value. For example, an issue of general obligation bonds previously approved by the voters and sold by a county water district, a sanitation district or other such district could increase the tax rate.

The total property tax rate for the subdivision is 1.02452% for the tax year 2025-2026.

For the purchaser of a unit in this Neighborhood, the full cash value of the unit will be the valuation as reflected on the tax roll, determined by the county assessor as of the date of purchase of the unit, or as of the date of completion of an improvement on the unit, if that occurs after the date of purchase.

Notice of Your ‘Supplemental’ Property Tax Bill

California property tax law requires the Assessor to revalue real property at the time the ownership of the property changes. Because of this law, you may receive one or two supplemental tax bills, depending on when your loan closes. The supplemental tax bills are not mailed to your lender. If you have arranged for your property tax payments to be paid through an impound account, the supplemental tax bills will not be paid by your lender. It is your responsibility to pay these supplemental bills directly to the Tax Collector. If you have any questions concerning this matter, please call your local Tax Collector’s Office.

FINANCING

Pursuant to Civil Code Section 2956 through 2967, inclusive, Subdivider and purchasers must make certain written disclosures regarding financing terms and related information. The Subdivider will advise purchasers of disclosures needed from them, if any.

If your purchase involves financing, a form of deed of trust and note will be used. The provisions of these documents may vary depending upon the lender selected. These documents may contain the following provisions:

Acceleration Clause: This is a clause in a mortgage or deed of trust which provided that if the borrower (trustor) defaults in the repaying of the loan, the lender may declare the unpaid balance of the loan immediately due and payable.

Due-on-Sale Clause: If the loan instrument for financing your purchase of an interest in this subdivision includes a due-on-sale clause, the clause will be automatically enforceable by the lender when you sell the property. This means that the loan will not be assumable by a purchaser without the approval of the lender. If the lender does not declare the loan to be all due and payable on transfer of the property by you, the lender is, nevertheless, likely to insist upon modification of the terms of the instrument as a condition to permitting assumption by the purchaser. The lender will almost certainly insist upon an increase in the interest rate if the prevailing interest rate at the time of the proposed sale of the property is higher than the interest rate of your promissory note.

A Balloon Payment: This means that your monthly payments are not large enough to pay off the loan, with interest, during the period for which the loan is written and that at the end of the loan period you must pay the entire remaining balance in one payment. If you are unable to pay the balance and the remaining balance is a sizable one, you should be concerned with the possible difficulty in refinancing the balance. If you cannot refinance or sell your property, or pay off the balloon payment, you will lose your property.

A Prepayment Penalty: This means that if you wish to pay off your loan in whole or in part before it is due, you, in addition, must pay a penalty.

A Late Charge: This means that if you fail to make your installment payment on or before the due date or within a specified number of days after the due date, you, in addition, must pay a penalty.

Adjustable Rate Loan: The Subdivider may assist you in arranging financing from a federal or state regulated lender which will make loans that allow the interest rates to change over the life of the loan. An interest rate increase ordinarily causes an increase in the monthly payment that you make to the lender. The lender will provide you with a disclosure form about the financing to assist you in the evaluation of your ability to make increased payments during the term of the loan. This disclosure form will be furnished to you at the time you receive your loan application and before you pay a nonrefundable fee.

PURCHASE MONEY HANDLING

The Subdivider must impound all funds (purchase money) received from you in an escrow depository until legal title is delivered to you, except for such amount as the subdivider has covered by furnishing a bond to the State of California. (Refer to Business and Professions Code Sections 11013.4, and 11013.4(b)).

If the escrow has not closed on your Residential Unit within one (1) year of the date of your purchase agreement, you may request the return of your purchase money deposit.

Note: Section 2995 of the Civil Code provides that no real estate Subdivider shall require as a condition precedent to the transfer of real property containing a single family residential dwelling that escrow services effectuating such transfer shall be provided by an escrow entity in which the Subdivider has a financial interest of 5% or more.

THE SUBDIVIDER HAS A FINANCIAL INTEREST IN THE ESCROW COMPANY WHICH IS TO BE USED IN CONNECTION WITH THE SALE OR LEASE OF RESIDENTIAL UNITS IN THIS COMMUNITY.
